If the Products are provided with additional packing over and above the standard packing, such packing shall be invoiced separately and be non-returnable.

12 Passing of Risk

- 12.1 The risk in the Products shall pass to the Purchaser as soon as they have left George Fischer's works (EX WORKS, Incoterms ICC, latest version), even if delivery is made carriage-paid, under similar clauses or including installation or when carriage is organized and managed by George Fischer.

- 13.3 Special requests regarding carriage and insurance shall be communicated to George Fischer in due time. Otherwise carriage shall be arranged by George Fischer at their discretion, but without responsibility, by the quickest and cheapest method possible.
In case of carriage-paid delivery transport arrangements shall be made by George Fischer. If the Purchaser specifies particular requirements, any extra costs involved shall be borne by him.
- 13.4 In the event of damage or loss of the Products during carriage the Purchaser shall mark the delivery documents accordingly and immediately have the damage ascertained by the carrier. Not readily ascertainable damages sustained during carriage shall be notified to the carrier within six days after receipt of the Products.

Notice concerning weight, numbers or apparent defects is to be given latest within 30 days from receipt of the Products, notice of other defects latest within the agreed warranty period.
- 14.3 Purchaser shall not dispose of allegedly defective Products until all warranty and/or damage claims are finally settled. At its request, defective Products are to be placed at George Fischer's disposal.
- 14.4 At its request, George Fischer shall be given the opportunity to inspect the damage, prior to commencement of remedial work, either itself or by third party experts.

15 Warranty

- 15.1 At the written request of the Purchaser, George Fischer undertake to repair or replace at their discretion, as quickly as possible and free of charge all Products supplied which demonstrably suffer from faulty design, materials or workmanship or from faulty operating or installation instructions.
Replaced parts shall become property of George Fischer.
For Products which are manufactured to specifications, drawings or patterns supplied by the Purchaser, George Fischer's warranty shall be restricted to proper materials and workmanship.
- 15.2 The Purchaser shall be entitled to cancel the contract or to demand a reduction in the contract price if:
 - repair or replacement is impossible, or

All cases of breach of contract and the relevant consequences as well as all rights and claims on the part of the customer, irrespective on what ground they are based, are exhaustively covered by these general conditions of supply. In particular, any claims not expressly mentioned for damages, reduction of price, termination of or withdrawal from the contract are excluded. This in particular refers, but shall not be limited, to loss of production, loss of use, loss of orders, loss of profit and other direct or indirect or consequential damage. This exclusion of liability, however, does not apply to unlawful intent or gross negligence on the part of George Fischer and in case of strict liability under applicable product liability statutes, but does apply to unlawful intent or gross negligence of persons employed or appointed by the supplier to perform any of its obligations.

Should any term or clause of these General Conditions in whole or in part be found to be unenforceable or void, all other provisions shall remain in full force and effect and the unenforceable or void provision shall be replaced by a valid provision, which comes closest to the original intention of the unenforceable or invalid provision.
